

## John Luff(e) - circa 1520

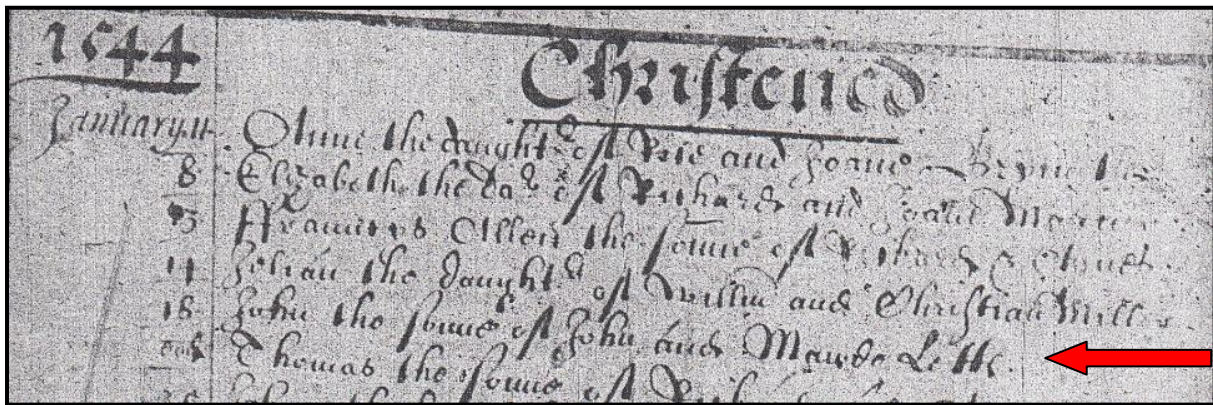

John Luff(e) was born circa 1520. I am unable to establish the names of his parents.

I believe that John Luff(e), born circa 1520, who married Maud (maiden name unknown), circa 1540, could have been my ancestor.

John and Maude Luff(e) had a son John born circa 1543 and baptised at St Andrew's Church on 18<sup>th</sup> January, 1544.

Extract from St Andrew's Church baptism records for 1544, it shows the baptism of John Luff(e), the son of John & Maud Luff(e).

I have no further information about John and Maude Luff(e).
