Family Lineage:

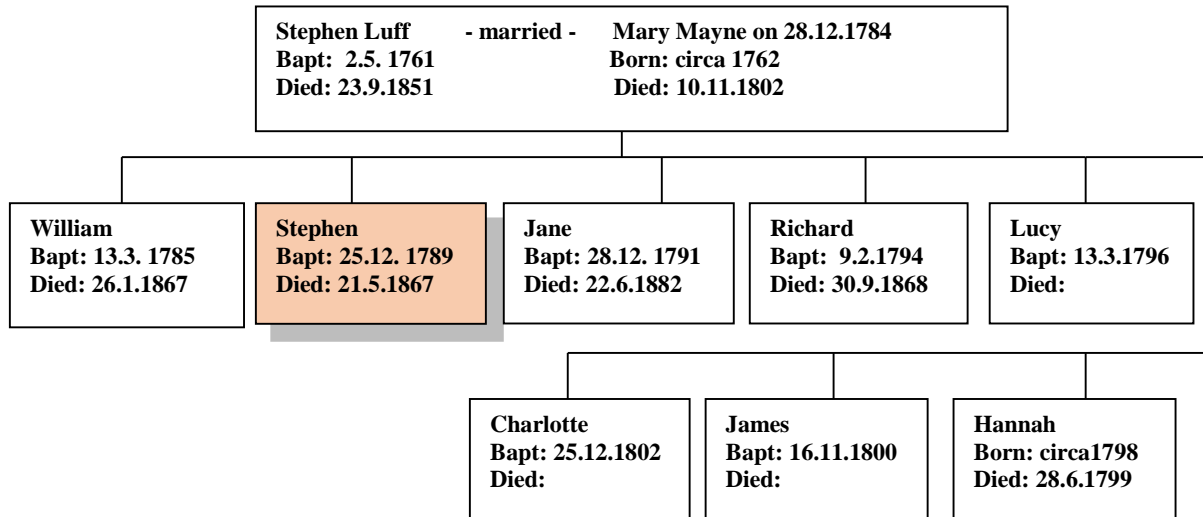

Stephen Luff was baptised at St Andrew's Church, Farnham, on 25th December 1789. He was the son of Stephen and Mary Luff.

Extract from the Baptism records of St Andrew's Church 1789.

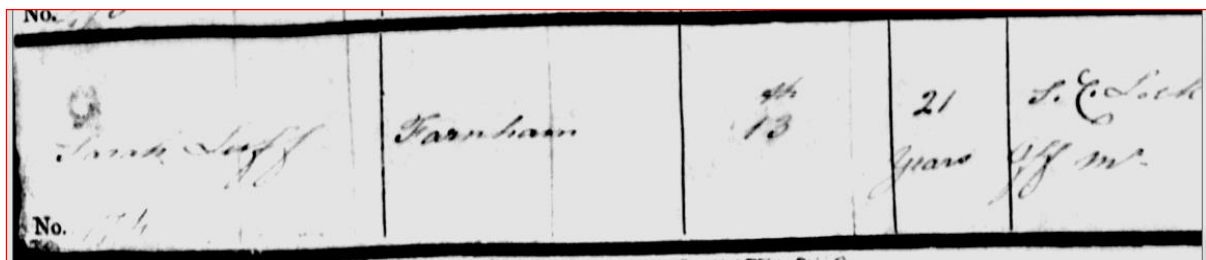

Stephen's baptism was held with the baptism of James Luff who was Stephen's cousin.

Stephen married Sarah Stanton on 12th March 1817, Sarah died on 9th December 1818, there were no offspring.

Extract from the Parish Records for Farnham for 1818, showing the burial of Sarah Luff on 13th December, 1818. Sarah was aged just 21 years.

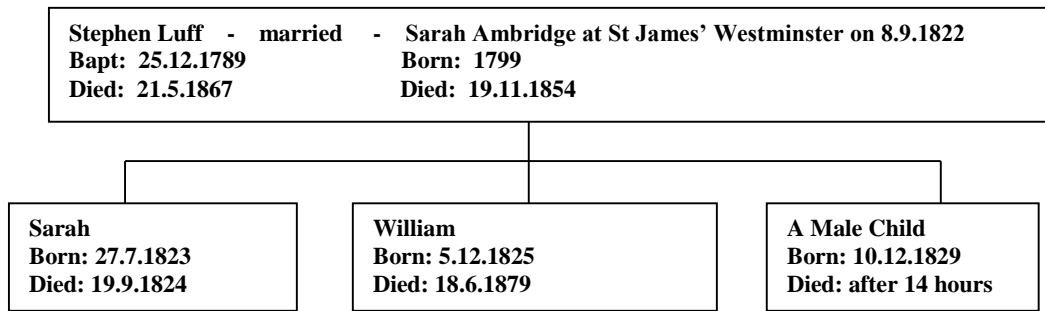

Stephen remarried. His new wife was Sarah Ambridge. They were married at St James', Westminster on 8th September 1822.

Extract from St James' Parish Church for 8th September, 1822.

They had 3 children, only one, William, lived to adulthood.

Stephen and Sarah were living in Hayes, Middlesex for a time, as their daughter Sarah was baptised in Hayes on 24th August, 1823. At that time Stephen was employed as a gardener.

I have been unable to ascertain when Stephen and Sarah emigrated to Guernsey. It was certainly after the baptism of their daughter.

I have been unable to find a baptism record for William who, I believe was born on 5th December, 1825, also a burial record for both Sarah who, I believe died on 19th September, 1824, and the male child who died 14 hours after birth on 10th December, 1829.

It seems that Stephen's younger brother Richard was living in Guernsey, and Stephen and his family followed him.

At the time of the 1841 Census Stephen, with his wife Sarah and son William (then aged 15) were living in St Peter Port, Guernsey. It shows Stephen, his wife Sarah and their son William as originating from England.
